## **2. GENERAL INFORMATION, BASIC PRINCIPLES AND RULES**

**2.1.** This guide contains the regulations and procedures which must be followed by the students who apply to study at İstanbul 29 Mayıs University for the 2024-2025 academic year and will take the “Entrance Examination for International Students” that will be conducted by İstanbul 29 Mayıs University.

**2.2.** The “İstanbul 29 Mayıs University Entrance Examination for International Students 2024” (29 MAYIS-YÖS 2024) will be conducted as an interview.

**2.3.** İstanbul 29 Mayıs University is free to fill the quotas or not.

**2.4.** According to the results of the “İstanbul 29 Mayıs University Entrance Examination for International Students 2024” (29 MAYIS-YÖS 2024), the opportunities such as scholarship, accommodation, general health insurance, tuition and special conditions for the students who are placed in İstanbul 29 Mayıs University programs are explained in ‘Table 1’, under the heading “**8. İstanbul 29 Mayıs University Programs’ quotas for International Students and Provided Opportunities**”.

**2.5.** Upon the publication of this Guide, İstanbul 29 Mayıs University reserves the right to make any such changes in the regulations of the examination that may be deemed necessary following the rulings of executive, legislative, and/or judicial bodies, and/or of the Higher Education Council, the

İstanbul 29 Mayıs University Executive Board or the İstanbul 29 Mayıs University Senate. Any such changes will be put into effect by İstanbul 29 Mayıs University. Furthermore, any contingency not specifically covered in this Guide will likewise be dealt with by the İstanbul 29 Mayıs University Senate.

### **3. APPLICATION REQUIREMENTS**

**3.1. Applications of the following candidates will not be accepted.** Those who

a) have Turkish citizenship (except the ones who have completed their secondary education in a foreign country except KKTC).

b) have KKTC citizenship (except the ones who have completed their secondary education in KKTC having GCE AL examination results, and the ones who have/will have GCE AL examination results after registering and receiving education in a college or high school in other countries between 2005-2010).

c) have dual citizenship with a birthright Turkish citizenship (except the ones who have completed their secondary education in a foreign country – including Turkish Schools in that country – except KKTC).

d) have dual citizenship, one of which is KKTC citizenship (except the ones who completed his/her secondary education in KKTC having GCE AL examination results and the ones who have/will have GCE AL examination results after registering and receiving education in a college or high school in other countries between 2005-2010).

e) have Turkish citizenship and have attended foreign high schools or foreign embassy schools in Turkey.

f) TRNC citizens and those who have registered at secondary education institutions in Turkey since the 2022-2023 academic year, as well as foreign nationals who have renounced their Turkish citizenship / Blue Cards (except embassy schools and International private educational institutions in the MOBIS system, as well as foreign nationals brought to our country within the framework of a project carried out by the Ministry of National Education).

g) have been dismissed from a higher educational institution in Turkey due to a disciplinary action or identified as a cheater in an examination given by OSYM or in the examinations given by the universities in Turkey in the previous years.

h) have acted physically or ideologically against T.R. or lost his/her Turkish citizenship as a punishment.

Even if these individuals take the examination, the scores they obtain will be invalid.

**3.2. On condition that the applicant is either in the final year of his/her secondary education or has completed it;**

**1) For the scholarship** quotas the candidates who were born on or after 01.01.2002 and who are the citizens of Afghanistan, Albania, Azerbaijan, Bosnia and Herzegovina, Bulgaria, People's of Republic of China, Georgia, Kazakhstan, Kyrgyzstan, Kosovo, North Macedonia, Uzbekistan, Romania, Russian Federation, Tajikistan, Turkmenistan, Ukraine and Greece **can apply**.

In addition to these countries, for the full scholarship quotas for the International Faculty of Islamic and Religious Studies, the candidates who are the citizens of Iraq and Syria can also apply.

a) Applicants' high school graduation grades must be minimum 4 out of 5, 8 out of 10 and 80 out of 100.

b) Applicants must not have any health issues to inhibit them from studying for higher education in Turkey.

2) The following candidates **can apply** for **50% discount** quotas:

a) Applicants' high school graduation grades must be minimum 3.5 out of 5, 7 out of 10 and 70 out of 100.

b) Foreign students: (Provided that those studying at secondary education (high school) institutions in Turkey have registered before the 2022-2023 academic year [except embassy schools, International private educational institutions included in the MOBIS system and foreign nationals brought to our country within the framework of the project carried out by the Ministry of National Education])

c) Those who are Turkish citizens by birth and have received permission from the Ministry of Internal Affairs to renounce their Turkish citizenship and certify that their minor children registered on the Turkish citizenship renunciation certificate have Documents related to the Exercise of the Rights Recognized in Accordance with the Turkish Citizenship Law No. 5901 (provided that those studying in secondary education (high school) institutions in Turkey have registered before the 2022-2023 academic year) (7 of the Turkish Citizenship Law No. 5901. The article contains the provision "(1) A child born in a marriage union from a Turkish citizen mother or father inside or outside Turkey is a Turkish citizen", and it would be useful for candidates to study the Turkish Citizenship Law).

d) Individuals who have a birthright foreign citizenship but have later acquired Turkish citizenship/the individuals holding double citizenship in this state (Provided that those studying at secondary education (high school) institutions in Turkey have registered before the 2022-2023 academic year).

e) Individuals who have Turkish citizenship and completed his/her secondary education in a foreign country except KKTC (including Turkish Schools in a foreign country except KKTC).

f) KKTC citizens living in KKTC who completed their secondary education in KKTC having GCE AL examination results, and have GCE AL examination results after registering and receiving education in a college or high school in other countries between 2005-2010.

#### **4. REQUIRED DOCUMENTS FOR APPLICATION**

**4.1** Accurately completed application form (To download application form: [.doc](#) [.zip](#))

**4.2** Copy of High School Diploma/Temporary Certificate of Graduation.

**4.3** "Equivalency Certificate" to show that high school diploma is equivalent to the diplomas received from Turkish high schools and its Turkish translation (This document can be obtained from T.R. Turkish Ministry of Education or a Turkish Embassy abroad; it must be brought while coming for the examination at the latest).

**4.4** Copy of transcript and Turkish translation of the document (Transcript is the document that shows the names of the courses taken and the grades received for the courses at high schools and it must be approved by the related high school).

**4.5** If any, a) copies of the result cards of the points they have received on the 2023 TR-YÖS or 2024 TR-YÖS and 2023-2024 or 2024-2025 "Entrance Examination for International Students (YÖS)" conducted by the universities in Turkey.

b) Copies and translated versions of the result cards of the national university entrance examination or international examinations that were applied in the country where the applicant studied.

**4.6** Copies of relevant pages of the passport showing information about identity, date and place where the passport is from, validity, and duration.

**4.7** 1 passport size photo.

**NOTE:** The applicants invited for the “Entrance Examination for International Students” must bring original documents when they come to the examination (these documents will be examined by the Student Affairs Department before the examination).

## **5. APPLICATION PROCESS**

**5.1** Both the domestic and international applications will be done by filling in the “Application Form” and by attaching the “Necessary Documents for Application” in pdf format using the Application System (<https://obs.29mayis.edu.tr/yos/>), or directly to the İstanbul 29 Mayıs University Student Affairs Office. No fee is charged for the application and the examination. No applications will be accepted if any of the necessary files is missing or if the application is not completed by August 2, 2024.

**5.2** The candidates are fully responsible for all the inconvenience due to the wrong information filled in the application form. The identity information must be the same as shown in the passport of the candidate without any change or contradiction.

**5.3** A soft copy of a passport size picture has to be added to the related field of the application. The picture should be taken in the last 3 months in order to be easily recognized as it will be used on the exam entrance document, in the registration process, and on the Student ID Card.

## **6. THE EXAMINATION (THE INTERVIEW)**

**6.1** On the exam day, from 09:00 a.m on, the identification checks of the candidates will be done and they will be given their Examination Entrance Document. While entering the examination, **the candidates must have the Examination Entrance Document with them.**

**6.2** The “İstanbul 29 Mayıs University International Student Placement Exam 2024” (29 MAYIS-YÖS 2024) will take place on **September 3, 2024, Tuesday at 09:00.**

**6.3** The “İstanbul 29 Mayıs University International Student Placement Exam 2024”(29 MAYIS-YÖS 2024) will be in interview style. In the interview, the candidates will be assessed according to their ability to explain themselves with reasoning, their interest in the department they are applying to, the level of general culture that underground education requires and, if applicable, the points they have received on the 2023 or 2024 TR-YÖS and 2023-2024 or 2024-2025 academic year university entrance exam for international students done by a university in Turkey will be taken into account.

**6.4** The candidates who get below 60 out of 100 on the “İstanbul 29 Mayıs University International Student Placement Exam 2024” (29 MAYIS-YÖS 2024) will be considered as unsuccessful and will not be considered for the placement. The successful candidates will be placed in the department of their choice within the available quota.

## **7. ANNOUNCEMENT OF THE RESULTS**

**7.1** The exam results will be announced on the İstanbul 29 Mayıs University website ([www.29mayis.edu.tr](http://www.29mayis.edu.tr)) after the interview examination.

### **Dormitory Facilities :**

- **Students with Scholarship :**
  - There is a 30% discount on the student dormitory (including 3 meals a day). Also these students will be able to benefit from the nutrition and housing assistance provided by the Ministry of Youth and Sports.

- **Students with 50% discount:**

Our students who are placed in 50% discounted quotas will be provided with the opportunity to stay in student dormitories “within the quota”. These students are given a 15% discount on their dormitory fees (excluding meals). Also, these students will be able to benefit from the nutrition and housing assistance provided by the Ministry of Youth and Sports.

Students staying in dormitories are obliged to comply with the dormitory rules.

## **8.2. EXPLANATIONS RELATED TO SPECIAL CONDITIONS AND PROVIDED OPPORTUNITIES**

**S.C.1.** The students who meet the conditions under the 1<sup>st</sup> heading of the item numbered 3.2, which is under the heading of '3. APPLICATION CONDITIONS' in the guide, can apply for it.

**S.C.2.** The students who meet the conditions under the 2<sup>nd</sup> heading of the item numbered 3.2, which is under the heading of '3. APPLICATION CONDITIONS' in the guide, can apply for it.

**S.C.3.** The students who are placed in scholarship programs at our university are exempted from the tuition fee within the period stated in the table and from covering the foreign language preparatory period as explained under special conditions of items numbered 5, 7, 8 on condition that he/she does not receive any kind of disciplinary action as stated in the item numbered 14 and meet the minimum attendance requirement in the classes. Additionally, free accommodation and Support Grants depend on the condition that the student's average score of the previous track in the preparatory class is a minimum of 70 out of 100 and the student's average score of the previous term in the undergraduate programs is a minimum 2.00 out of 4.00. A student who does not meet minimum attendance requirement in one quarter / course of Preparatory Program will not receive cash grant during the following quarter / course; a student who does not meet minimum attendance requirement in the final quarter / course of Preparatory Program will not receive cash grant in the first two months of undergraduate education; student who does not meet minimum attendance requirement in any course of the undergraduate program will not receive cash grant in the following semester. If a student at Preparatory Programs exceeds maximum attendance limit given for the whole academic year, he/she will also lose discount accommodation right at the guesthouse/dormitory. If an undergraduate student does not fulfill the minimum attendance requirement for a course without a valid excuse such as health issues approved by Faculty Board of Directors, he/she cannot benefit from discount dormitory rights in the following semester.

**S.C.4.** The students who are placed in 50% discount quotas of our university can benefit from a 15% discount in accommodation on condition that they meet the dormitory requirements. If a student at Preparatory Programs exceeds maximum attendance limit given for the whole academic year, he/she will also lose free accommodation right at the guesthouse/dormitory.

**S.C.5.** If a student with scholarship is placed in a program whose language of instruction is English or Turkish; he/she is given the proficiency test. If the student fails in the test, he/she studies in a one-year compulsory English or Turkish Preparatory class free of charge. If the student has to repeat Preparatory class, he/she pays the same fee paid by a student with a 50% discount.

**S.C.6.** If a student with a 50% discount is placed in a program whose language of instruction is English or Turkish, he/she is given the proficiency test. If the student fails in the test, he/she pays the fee stated in the table and studies in a one-year compulsory English or Turkish Preparatory class. If the student has to repeat Preparatory class, he/she pays the same fee.

**S.C.7.** If a student with scholarship is placed in a program whose language of instruction is at least 30% English, he/she is given a Turkish proficiency test. If the student fails in the test, he/she studies in a one-year compulsory Turkish Preparatory class. If he/she has to repeat Turkish Preparatory class, he/she pays the same fee paid by a student with a 50% Discount. Then, if the student fails in the English Proficiency test, he/she studies in a one-year compulsory English Preparatory class free of charge. If the student has to repeat the English Preparatory class, he/she pays the same fee paid by a student with a 50% Discount. Some arrangements can be made for the students who are able to speak one or two of those languages at a certain level in order to enable them to study both languages in one academic year.

**S.C.8.** If a student with a scholarship is placed in a program whose language of instruction is at least 30% Arabic, he/she is given a Turkish proficiency test. If the student fails the test, he/she studies in a one-year compulsory Turkish Preparatory class. If he/she has to repeat Turkish Preparatory class, he/she pays the same fee paid by a student with a 50% discount. Then, if the student fails the Arabic Proficiency test, he/she studies in a one-year compulsory Arabic Preparatory class free of charge. If the student has to repeat Arabic Preparatory class, he/she pays the same fee paid by a student with a 50% discount. Some arrangements can be made for the students who are able to speak one or two of those languages at a certain level in order to enable them to study both languages in one academic year.

**S.C.9.** If a student with a 50% discount is placed in a program whose language of instruction is at least 30% English, he/she is given a Turkish proficiency test. If the student fails the test, he/she studies in a one-year compulsory Turkish Preparatory class by paying the tuition fee stated in the table. If he/she has to repeat Turkish Preparatory class, he/she pays the same fee. Then, if the student fails in the English Proficiency test, he/she studies in a one-year compulsory English Preparatory by paying the tuition fee stated in the table. If the student has to repeat English Preparatory class, he/she pays the same fee. Some arrangements can be made for the students who are able to speak one or two of those languages at a certain level in order to enable them to study both languages in one academic year.

**S.C.10.** If a student with a 50% Discount is placed to a program whose language of instruction is at least 30% Arabic, he/she is given a Turkish proficiency test. If the student fails the test, he/she studies in a one-year compulsory Turkish Preparatory class by paying the tuition fee stated in the table. If he/she has to repeat Turkish Preparatory class, he/she pays the same fee. Then, if the student fails the Arabic Proficiency test, he/she studies in a one-year compulsory Arabic Preparatory class by paying the tuition fee stated in the table. If the student has to repeat Arabic Preparatory class, he/she pays the same fee. Some arrangements can be made for the students who are able to speak one or two of those languages at a certain level in order to enable them to study both languages in one academic year.

**S.C.11.** The students who are placed in 50% discount quotas at our university pay their tuition fee in two installments (at the beginning of each semester during registration).

**S.C.12.** Students staying at the University Student Dormitories are required to comply with the rules and regulations of the Dormitories.

**S.C.13.** Students who are accepted to programs with a 50% discount will be able to get a place in the male and female dormitories of the University with a 15% discount (excluding meals) within the quota.

**S.C.14.** With Scholarship or 50% discount: a) a student given one year or less than one year suspension from Higher Education Institution is left without cash grant for one semester; a student given two-year suspension from Higher Education Institution is left without cash grant for two semesters; the students in these conditions cannot stay at Guesthouse/dormitory within the stated periods even on paid status. A student given exclusion penalty from Higher Education Institution loses all scholarships and other financial opportunities.

## **9. PLACEMENT RESULTS**

**9.1.** Placement results and substitute applicants' list will only be published on the İstanbul 29 Mayıs University website ([www.29mayis.edu.tr](http://www.29mayis.edu.tr)).

**9.2.** Registration dates are specified in the announcement.

## **10. REGISTRATION**

**10.1.** Each applicant accepted to one of the programs at İstanbul 29 Mayıs University must, no matter his/her score on the Turkish Language Proficiency Test, comply with the regulations of İstanbul 29 Mayıs University and submit the required documents within the stated registration dates for the academic year 2024-2025.

**10.2.** Applicants who have gained admission to one of the programs at İstanbul 29 Mayıs University must bring their passports bearing a student visa to İstanbul 29 Mayıs University during registration. This visa can be obtained from embassies or consulates of the Republic of Turkey abroad. The right to study in Turkey is also granted without a student visa requirement, to non-citizens, including the holders of the Document for the Use of the Rights Granted by the Law, No. 5901, who originally had Turkish Government's approval, have given up their nationality and have been admitted to the nationality of a foreign state, and have, upon their qualification in YÖS, been accepted to a program at İstanbul 29 Mayıs University.
